PROFILE STATEMENT

I am a motivated and detail-oriented Computer Science student with a strong interest in Front-End Development and modern web technologies. Passionate about building responsive, user-friendly, and visually appealing web applications using HTML, CSS, and JavaScript. Currently pursuing a B.Tech in Computer Science Engineering at Pragati Engineering College (2024–2028) and actively improving problem-solving and programming skills while developing practical projects in web development. Eager to gain industry experience and contribute to real-world software development projects.

EDUCATION

Bachelor of Technology (B.Tech) — Computer Science Engineering — Pragati Engineering College 2024 – 2028

- Specialisation: Artificial Intelligence.
- Relevant coursework: Data Structures & Algorithms, Object-Oriented Programming, Operating Systems, Database Management Systems, Computer Networks

Intermediate — MPC — Narayana Junior College 2022 – 2024

- Graduated with a final score of 96%, ranking among the top students in the programme
- Core subjects: Maths, Physics, Chemistry

TECHNICAL SKILLS

Languages: C, Python, Java (Object-Oriented Programming)

Web Technologies: HTML, CSS, JavaScript

Concepts: Object-Oriented Programming (OOP), Data Structures (Fundamentals), Database Management Systems (DBMS)

Tools: VS Code, Git, GitHub

SOFT SKILLS

Communication, Problem-Solving, Analytical Thinking, Teamwork, Adaptability, Curiosity, Time Management

INTERSHIPS

- **AI-ML Virtual Internship** – AICTE EduSkills (Supported by Google for Developers)
- Completed a 10-week virtual internship focused on Android application development.
- Learned mobile app development fundamentals and Android architecture.
- **Android Developer Virtual Internship** – AICTE EduSkills (Supported by Google for Developers)
- Gained exposure to UI components and application structure.
- Completed a 10-week internship focused on Artificial Intelligence and Machine Learning concepts.
- Learned basic machine learning concepts and their real-world applications.

CERTIFICATIONS

- **AI Skills Passport** — EY and Microsoft
- **Enterprise Design Thinking Practitioner** – IBM SkillsBuild
- **Android Developer Virtual Internship** – AICTE EduSkills (Supported by Google for Developers)
- **AI-ML Virtual Internship** – AICTE EduSkills (Supported by Google for Developers)

AREAS OF INTEREST

- Front-End Web Development
- Building Responsive and User-Friendly Web Interfaces
- Problem Solving and Data Structures
- Artificial Intelligence and Emerging Technologies
